

2019 LOTUS WORLD MUSIC & ARTS FESTIVAL

SAVE THE DATE FOR THE 2019 FESTIVAL: SEPTEMBER 26- 29

Every year, Bloomington comes alive for the annual **Lotus World Music & Arts Festival** – the flagship event of the non-profit Lotus Education and Arts Foundation.

Through Festival sponsorship, businesses advertise their commitment to the same principles that guide Lotus and that make Bloomington a great place to live: diversity, community, excellence, excitement, and a shared spirit of creativity.

More than 12,000 fans come from around town, across the state, and even across the country to enjoy great global music plus Bloomington's local shopping, restaurants, and hotels – generating a local economic impact of >\$500,000 on Festival weekend. The Festival also enjoys national media coverage.

Festival admissions cover just 50% of the full cost of Lotus programming. For the rest, Lotus depends on generous supporters like you to help bring the world to our neighborhood.

What does Festival Sponsorship mean for you?

- You help Lotus fill our downtown streets with music and art from around the world, and you create multicultural experiences that are accessible to people of all ages, abilities, backgrounds, & incomes.
- You make a difference in the local economy and join a community of 100+ businesses who are keeping Bloomington unique and vibrant through their support for the arts.
- You show your clients and customers – present and future – that you value one of their favorite events. Festival-goers tell us that they make a point of supporting businesses that support Lotus.
- You keep ticket prices low, plus help create 40+ hours of free Festival events. You also receive complimentary* tickets that can help you grow your business or reward top employees.
