Every picture tells a story...

"From Lotus Blossoms, we love bringing in a variety of musicians from many different cultures. It helps us expose our students to more of the world and to affirm our own students whose families are from many places." - **Bill Morgan, music teacher, Binford Elementary**

"Lotus Blossoms performances are always outstanding — among the best cultural experiences offered to our constituents."

- **Lisa Champelli, Children's Audience Strategist at Monroe County Public Library**

"Thank you for coming and sharing your singing with us. I really loved your music. Also thank you for singing with us."

- **Safira Surzyeki, student at Harmony School, in a thank you note to Alash**
